Investments in units of Mutual Funds do not constitute deposits in Banco Santander for the purposes of Financial Entities Law - "Ley de Entidades Financieras" - and neither they grant any of the guarantees that the deposits may get in accordance with the legislation and regulations applicable for deposits in Financial Entities. Likewise, Banco Santander is prevented by regulations of the Argentine Central Bank from assuming, tacitly or expressly, any commitment regarding the maintenance of the value of the invested capital, its performance, the redemption value of the shares or the granting of liquidity for this purpose. Santander Rio Asset Management and Banco Santander Argentina S.A. are independent companies, under Argentine law, whose shareholders limit their liability to the subscription of the shares in accordance with Law 19.550. Therefore, it is informed that neither local shareholders or shareholders of foreign capital respond, in excess on the shareholding integration, for the obligations arising from the concerted operations. The share value is net of fees and financial expenses from the asset manager and the depository company. This fund does not have success fees or other expenses, which can be consulted at [www.santanderriasset.com.ar](http://www.santanderriasset.com.ar).
